Historical Note:

The Champaign County Fair was first held in the early 1850s. Champaign County families began meeting every summer to compare livestock and grains and enjoy picnics. The first organized County Fair was held in 1852. Different associations have been responsible for the Fair since its beginning. Around 1905, the current fairgrounds were purchased, but the Fair was disbanded around 1922. In 1928, a fire, reportedly started by a cigarette during an auto show, destroyed the grandstand. The Fair was not held throughout the Depression as they were unable to rebuild the grandstand. A new one was acquired in 1939 and the Fair resumed. Though World War II caused some adjustments to the Fair's structure and scope, the Fair continued. In addition to agriculture, livestock, and auto shows, the Fair has grown to include talent shows, music, beauty pageants, vendors, and a carnival.

Scope and Content Note:

The collection contains County Fair annual booklets and programs detailing fair schedules, events, and vendors. Horse show and pageant programs offer event descriptions, schedules, and list of participants. Various newspaper articles and notes include information on the history of the fair. Other highlights include audit statements, tickets, ribbons, and photographs.

Arrangement:

The collection is arranged alphabetically at the folder level.
