Physical Description: 2 Boxes; 2 linear feet

Provenance:

The Chanute Air Force Open House files were donated to the Champaign County Historical Archives from the defunct Chanute Aerospace Museum upon their closure in 2015. The Chanute Aerospace Museum received these files from the Chanute Air Force Base after its closure in 1993.

Access:

The records are accessible to the public within applicable copyright restrictions and limited to use at the Champaign County Historical Archives of The Urbana Free Library.

Historical Note:

The Chanute Air Force Base was open for 76 years and operated as a training ground for generations of Air Force servicemen and women. Chanute trained over 2 million servicemen and women during its 76 years of operation. In addition, personnel from other branches of the Armed Forces, as well as allied students, were also selected to attend courses in the Technical School. Its long history through several military conflicts and influence as a Technical Training Center made it a well-researched subject.

Scope and Content Note:

Consists of documents, meeting minutes, correspondence, and ephemera surrounding open houses at the Chanute Air Force Base from 1975-1992. Some interesting items to note are various pamphlets about each open house as well as celebrations about the 60th and 75th Anniversaries of Chanute.
