

Chanute Air Force Base Year Files
Years 1917-1993

COLLECTION 200.022

Champaign County Historical Archives

Compiled by: Thomas Kuipers and Ani Karagianis
Creator/Corporate name: Chanute Air Force Base
Inclusive Dates: 1917-1993, bulk 1972-1993
Physical Description: 23 boxes; 23 linear feet

Provenance:

The Chanute Air Force Years files were donated to the Champaign County Historical Archives from the defunct Chanute Aerospace Museum upon their closure in 2015. The Chanute Aerospace Museum received these files from the Chanute Air Force Base after its closure in 1993.

Access:

The records are accessible to the public within applicable copyright restrictions and limited to use at the Champaign County Historical Archives of The Urbana Free Library.

Historical Note:

The Chanute Air Force Base was open for 76 years and operated as a training ground for generations of Air Force servicemen and women. Its long history through several military conflicts and influence as a Technical Training Center made it a well-researched subject. These files include documents collected by the Chanute Air Force Base from 1917-1993. The files cover (almost) every year of that duration. These files were compiled by those at the base and have been processed by the Chanute Interns at The Urbana Free Library.

Scope and Content Note:

This collection consists of files from every year of the Chanute Air Force base (1917-1993), with a bulk of the collection from 1972-1993. These files include newspaper clippings, images, administrative documents, social documents (celebrations, parades, etc.) as well as ephemera. Some interesting documents include celebration documents from the 35th and 50th Anniversary of the base, telephone books from each era at the base, as well as magazine and newspaper clippings from the base as well as the surrounding area (Champaign-Urbana and Rantoul).

Arrangement:

These files are arranged into two series. Series one is the years files, consisting of twenty-two boxes. It is organized chronologically. Within series 1, boxes 21 and 22 covers the 1980s (as a continuation of boxes 10-18). Series two (box 23) is the newspaper files, organized chronologically (1987-1993).
