Chanute Air Museum Files  
Years ca. 1940s-2015

COLLECTION 200.024

**Compiled by:** Ani Karagianis, May 2022

**Creator/Corporate name:** Chanute Air Museum

**Inclusive Dates:** ca. 1940s-2015; bulk dates 1994-2015

**Physical Description:** 5 boxes, 1 half box; 5.5 linear feet

**Provenance:**

The Chanute Air Museum files were donated to the Champaign County Historical Archives from the defunct Octave Chanute Aerospace Museum upon its closure in 2015.

**Access:**

The records are accessible to the public within applicable copyright restrictions and limited to use at the Champaign County Historical Archives at The Urbana Free Library.

**Historical Note:**

The Chanute Air Force Base was open for 75 years and operated as a training ground for generations of Air Force servicemen and women. Its long history through several military conflicts and influence as a Technical Training Center made it a well-researched subject. After the Chanute Air Force Base closed, it was converted into the Octave Chanute Aerospace Museum, which remained open from 1993-2015. The Octave Chanute Aerospace Museum was also known as the Chanute Air Museum.

**Scope and Content Note:**

This collection consists of Octave Chanute Aerospace Museum history and program files, exhibit files, grant information, and loans and closure files. An interesting record of note is the extensive collection on the 99<sup>th</sup> Pursuit Squadron (Tuskegee Airmen) exhibit in series 2, subseries 2. These files are different from other Chanute collections due to the timeframe (1994-2015) and content areas.

**Arrangement:**

This collection is organized into five series: History and Programs, Exhibits, Grants, Loans, and Closure Files. Each series is arranged alphabetically (names are alphabetical by first name). Series 2 (Exhibits) has two sub-series: the Hangar Exhibit and the 99<sup>th</sup> Pursuit Squadron Exhibit. Series 4 (Loans) has three subseries: Incoming Loans, Outgoing Loans, and Temporary Custody. Each subseries is also arranged alphabetically (names arranged alphabetically by first name).

**Subject Terms:**
