Champaign County Historical Archives

Compiled by: Ani Karagianis

Creator/Corporate name: Chanute Air Force Base

Inclusive Dates: inclusive 1986-2003; bulk 1986-1987

Physical Description: 9 boxes; 9 linear feet

Provenance:

The Chanute Air Force Base History files were donated to the Champaign County Historical Archives from the defunct Octave Chanute Aerospace Museum upon their closure in 2015. The Octave Chanute Aerospace Museum received these files from the Chanute Air Force Base after its closure in 1993.

Access:

The records are accessible to the public within applicable copyright restrictions and limited to use at the Champaign County Historical Archives at The Urbana Free Library.

Historical Note:

The Chanute Air Force Base was open for 75 years and operated as a training ground for generations of Air Force servicemen and women. Its long history through several military conflicts and influence as a Technical Training Center made it a well-researched subject. The Chanute Heritage Committee, led by Don Weckhorst and consisting of Non-Commissioned Officers, started collecting these patches and histories in 1986-1987.

Scope and Content Note:

Consists of patches, histories, correspondence, and envelopes/addresses of different squadrons and wings from air bases across the world.

Note: this is a lengthy finding aid, so the best way to browse would be to search the bases by name (ex: Tyndall AFB).

Arrangement:

This collection is arranged in its original order, with groupings by air base. Each folder includes base name and location.

Subject Terms:

Chanute Air Force Base (Ill.)

Chanute Air Force base (Ill.)—History

Chanute Field (Ill.)—History

Air Bases—Rantoul—History
